

Use this form to ask the Finnish Patent and Registration Office (PRH) not to register you as a person responsible for a company or an organisation at the Finnish Trade Register, Finnish Register of Associations, or Finnish Register of Foundations.

We will send you a confirmation to the email address you have given.

You can find further information about prohibition of registration, and this form in pdf format, on our website at www.prh.fi/prohibition_of_registration

Prohibition of registration

Which register(s) does the prohibition concern? Tick the appropriate box(es). The prohibition becomes effective when we have recorded it in our system. After that, the PRH will not register your details on the selected register without your consent.
