

Use this form to request a search on an invention from the Finnish Patent and Registration Office (PRH).

You can fill in this form in pdf format at www.prh.fi/patent_forms.

Search

Select the search or the additional services you want by ticking the box. If you request a search charged by the hour, indicate the number of hours you want us to spend on the search.

The fee for searches charged by the hour consists of a basic fee and an hourly fee:

- basic fee €200 + VAT 25.5% = €251.00
- hourly fee €160 + VAT 25.5% = €200.80

For example a 10-hour search costs €1800 + VAT 25.5% = €2259.00.

An invoicing charge and a VAT of 25.5% are added to all orders.

Read more about our searches, additional services and fees on the PRH website at www.prh.fi/patent_search_services.

Fixed-price searches

Fixed-price novelty search, fee €1160	€
Freedom to operate search, fee €2440	€
List the target countries of the freedom to operate search:	

Searches charged by the hour

Novelty search charged by the hour	Number of hours:	€
Validity search	Number of hours:	€
Report on the state of the art	Number of hours:	€
Competitor monitoring	Number of hours:	€
Other information search	Number of hours:	€

Additional services and invoicing charge

Additional service for a novelty search: Patentability report, fee €1160	€
Additional service: Comment on the contents of cited documents, fee €400	€
Invoicing charge, fee €6.50	€

Total fee without VAT (VAT 0%)	€
VAT 25.5%	€
Total fee (VAT 25.5%)	€

Title of the invention or the subject to be examined

Give a short title of the invention or the subject to be examined.

Title:

Language of the report

Indicate in which language you want to have the search report.

Finnish	Swedish	English
---------	---------	---------

Method of delivery

Indicate whether you want to have the search results delivered by secure email or by post.

By secure email	By post
-----------------	---------

Your details

Give your company name and Business ID, or your name and personal identity code. If necessary, give your reference. Give the email address or postal address to which the results should be sent. Give details of the person providing further information about the subject of the search. The request is confidential, and we will only be in touch with you and the person, given below, providing further information.	
Your name	
Business ID / Personal identity code	Your reference
Email	Telephone
Street address	
Postal code	Town or city
Name, email address and telephone number of the person providing further information.	

Invoicing address

Give a postal address for invoicing if it is different from your postal address above. If you want to have an e-invoice, give your postal address, e-invoice address and operator name and ID.	
Street address	
Postal code	Town or city
E-invoice address	
Operator name	Operator ID

Signature

Date, signature, and name in block capitals. I commit to pay the search results.	
Date (dd.mm.yyyy)	Signature, and name in block capitals

Enclosed documents

Enclose a detailed description of the subject of the search.
Description of the invention or the subject of the search
Other enclosures:

Submit the form and documents to the PRH
